

CODE HEADINGS

Context of Dwelling

100	Isolated
101	Part of farmyard complex
102	One of two units, the second being a barn
103	One of two units, the second being another dwelling
104	Part of agglomeration of 3 units (one of which may be a barn)
105	Part of agglomeration of >3 units (one of which may be a barn)
106	Agglomeration is linear
107	Agglomeration is haphazard
108	Attached barn is/was bank barn
109	Attached barn has an external staircase
110	Dwelling is at right angles to road

Basic Plan

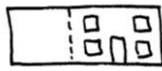

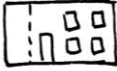

120	Simple rectangle or square
121	T-shaped dwelling (with extension of full height)
122	H-shaped dwelling (with extensions of single storey height)
123	L-shaped dwelling (with extension of full height)
124	U-shaped dwelling (with extensions of single storey height)
125	H-shaped dwelling (with extensions of single storey height)
126	L-shaped dwelling (with extension of single storey height)
127	U-shaped dwelling (with extensions of full storey height)
128	Simple rectangle/square with central single storey extension at rear
129	End extension has continuous pitch from main roof but is not an outshoot
130	L-shaped dwelling with shared full height extension
131	L-shaped dwelling with shared single height extension
132	Other

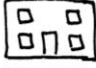

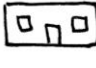

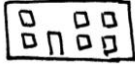

Number of Storeys

150	One
151	One and a half
152	Two
153	Two and a half
154	Three

- 850 Door to fanlight
- 851 Triangular hood moulding above door
- 852 Datestone before 1800
- 853 Datestone after 1800

Canopy continued

- 855 On pillars - flat
- 856 On pillars - pitched
- 857 On pillars - curved
- 858 On pillars - sloping to front
- 859 On pillars - other
- 860 On upright timbers - flat
- 861 On upright timbers - pitched
- 862 On upright timbers - curved
- 863 On upright timbers - sloping to front
- 864 On upright timbers - other
- 865 Porch of 2 or more storeys

ROOF OF MAIN UNIT

Dormers and other windows

Integral with wall:

- 902 
- 903 
- 904 
- 905 Velux
- 906 Other

In roof at front:

- 907 
- 908 
- 909 
- 910 
- 911 
- 912 Velux
- 913 Other

In roof at rear:

- 914 
- 915 
- 916 
- 917 
- 918 
- 919 Velux
- 927 Other

Roof shape

- 920 Simple pitched, single height along length of unit
- 921 Simple pitched, two heights along length of unit
- 922 Simple pitched with overhang at gable, single height
- 923 Simple pitched with overhang at gable, two heights
- 924 Hipped roof
- 925 Low pitch with balustrade
- 926 Low pitch with pediment
- 928 Flat roof

Roof materials

- 950 Thatch
- 951 Stone

952	Green Slate
953	Blue/Black or Grey slate
954	Patent tile
955	Other tile
956	Felt
957	Iron/Tin

Ridge materials

958	Stone/cement
960	Tile
961	Other

Gutters

962	Cast iron
963	Plastic

Downspout

964	Cast iron
965	Plastic
966	Dated hopper
967	Roof has finials
968	roof has ball finial
969	Roof has kneelers
970	Roof has flagstone ridges

Chimneys

Character of stack

990	Square - plain
991	Short rectangle - plain
992	Narrow/long rectangle - plain
993	Other - plain

Position of chimney stacks on ridge

1000	End
1001	Both ends
1002	Third of the way along
1003	Central
1006	Projecting from gable end
1007	Projecting from front
1008	Projecting from rear

Character of stack (continued)

1009	Square - step in height
1010	Square - division halfway up
1011	Square - complex
1014	Short rectangle - step in height
1015	Short rectangle - division halfway up
1016	Short rectangle - complex
1019	Narrow/long rectangle - step in height
1020	Narrow/long rectangle - division halfway up
1021	Narrow/long rectangle - complex
1024	Other - step in height
1025	Other - division halfway up

1026 Other - complex

Materials of stack

1029 Ashlar
1030 Coursed stone
1031 Rubble
1032 Brick
1034 Mixture
1035 Render

ENDS OF BUILDING

1100 One gable a party wall
1101 Both gables a party wall
1102 One gable has a door
1103 Both gables have a door
1104 One gable has front door
1105 Stair window
1106 Stair window across 2 floors
1107 Projecting chimney - single flue
1108 Projecting chimney - double flue
1109 Eaves window below chimney
1110 Domestic window over front door
1112 External staircase
1115 Windows are arranged symmetrically
1116 One gable has back door

Plan and elements of bay window

1145 Angled - narrow vertical rectangular panes

Bay windows

1150 Bay windows linked by roof/canopy
1151 Pitched roof over bay (including hipped roofs)
1152 Flat roof over bay
1153 Oriel

Plan and elements of bay window

1154 Curved plan - small square window panes
1155 Curved plan - large square window panes
1156 Curved plan - wide vertical rectangular panes
1157 Curved plan - narrow vertical rectangular panes
1159 Angled - small square window panes
1160 Angled - large square window panes
1161 Angled - wide vertical rectangular panes
1162 Angled - long horizontal rectangular panes
1163 Angled - narrow gothic window panes
1164 Box-like - small square window panes
1165 Box-like - large square window panes
1166 Box-like - wide vertical rectangular panes
1167 Box-like - narrow vertical rectangular panes

Fire window

1170 Square
1171 Narrow rectangular

1172 Large rectangular

Bay window

1173 Bay at ground floor level only

Window features

1180 Some windows possess hood mouldings
1181 Some windows possess stone/cement surrounds
1182 All windows possess hood mouldings
1183 All windows possess stone/cement surrounds
1184 Some windows have quoin style surrounds
1185 All windows have quoin style surrounds

Front door porch on end elevation

1200 Narrow sentry box - closed apex
1201 Broad sentry box - solid walls, no side windows
1202 Narrow sentry box - open apex
1203 Broad sentry box - solid walls with side windows
1204 Narrow sentry box - door to side
1205 Broad sentry box - predominantly glazed
1206 Broad sentry box - internal wall seats
1207 Broad sentry box - door to side
1208 Box-like, walls, glazed and flat roof - door to front
1209 Box-like, glazed and sloping roof - door to front
1210 Box-like, walls, glazed and flat roof - door to side
1211 Box-like, glazed and sloping roof - door to side
1212 Box-like, walls, windows and flat roof - door to front
1213 Box-like, walls, windows and sloping roof - door to front
1214 Box-like walls, windows and flat roof - door to side
1215 Box-like, walls, windows and sloping roof - door to side

Canopy over front door (end elevation)

1223 Unsupported - flat
1224 Unsupported - pitched
1225 Unsupported - curved
1226 Unsupported - sloping to front
1227 Unsupported - other
1228 On brackets - flat
1229 On brackets - pitched
1230 On brackets - curved
1231 On brackets - sloping to front
1232 On brackets - other
1233 On pillars - flat
1234 On pillars - pitched
1235 On pillars - curved
1236 On pillars - sloping to front
1243 On upright timbers - flat
1244 On upright timbers - pitched
1245 On upright timbers - curved
1246 On upright timbers - sloping to front
1247 On upright timbers - other

REAR ELEVATION (1)

- 1300 No back door
- 1301 External staircase
- 1302 Stair window across two floors

- 1350 Some rear windows possess hood mouldings
- 1351 All rear windows possess hood mouldings

GABLE PROFILE

- 1900 Normal
- 1901 High flat room extension (flush with gable)
- 1902 Low flat roof extension (flush with gable)
- 1904 Double pitched gable profile (flush)
- 1905 Pitched roof extension

OUTSHOT ON FRONT OR REAR

- 1920 Full façade
- 1921 Two-thirds across
- 1922 One-third across
- 1923 Short and central
- 1924 One corner of full façade outshot is rounded
- 1925 One corner of two-thirds outshot is rounded
- 1926 One corner of one-third outshot is rounded
- 1927 One corner of short central outshot is rounded
- 1928 Two corners of full façade outshot are rounded
- 1929 Two corners of two-thirds outshot are rounded
- 1930 Two corners of one-third outshot are rounded
- 1931 Two corners of short central outshot are rounded
- 1932 Large central outshot
- 1933 One corner of large central outshot is rounded

FRONT

- 1950 Whole façade - front and flat
- 1951 Whole façade - back and flat
- 1952 Whole façade - front and sloping
- 1953 Whole façade - back and sloping
- 1954 Short and central - front and flat
- 1955 Short and central - back and flat
- 1956 Short and central - front and sloping
- 1957 Short and central - back and sloping
- 1958 Short at one end - front and flat
- 1959 Short at one end - back and flat
- 1960 Short at one end - front and sloping
- 1961 Short at one end - back and sloping
- 1962 Other - front and flat
- 1963 Other - back and flat
- 1964 Other - front and sloping
- 1965 Other - back and sloping
