## Friends of the Victory Hall

Friends of the Victory Hall (FOVH) is a group of villagers who help maintain the hall and run the events that take place there. This group is separate from the Victory Hall Committee and so not involved in the management of the Hall. FOVH carries out a maintenance review of the hall every month and helps with DIY as well as supporting events that raise money for the ongoing maintenance by putting out tables, delivering leaflets, selling tickets, baking, washing up etc. Events this year will include a Fashion Show, an Online Safety Event, Quiz Night with Pie & Pea Supper, an Afternoon Tea, Christmas events and more.

**Anyone can be a Friend** and it is a great way to be involved in your community and make friends. To join the Friends please email [templesowerbyvictoryhall@gmail.com](mailto:templesowerbyvictoryhall@gmail.com).

## Welcome Pack

A recent initiative of the Friends of the Victory Hall is to devise a pack to be given to new residents of the village as of May 2018. The pack consists of a welcome letter explaining activities that are held in the village, useful contact details, bus and recycling timetables and other useful information. Also, *while stocks last*, there is also a copy of the Millennium Book which has a comprehensive history of our

village. If you have not seen a copy and wish to know more, much of this book has been reproduced on our village website <http://templesowerby.org.uk/local-history>. We should be able to identify most new residents who have bought houses, but residents who are renting property may be missed, as might others. So, if you know of a new resident who has not received their pack then do contact us by email
